HAPPY NEW YEAR 2016!

Winter has truly arrived!
So, now is the time to plan a vacation.

If you are a cold-weather person, call now and Travel Junction will help plan a winter or ski vacation.

Call now for the best prices for "sunshine" vacations. Apple Vacations and Vacation Express are offering charter flights to Cancun and Punta Cana several days a week. Also there are great prices on four nights in the Grand Bahamas, May 30 - June 29. No matter where your vacation may take you, let Travel Junction help plan a hassle-free trip.

Join me this year to visit Alaska and the Yukon on a 13-day, all-land package. We will be visiting the interior of Alaska, and we will see wildlife and experience majestic landscapes.

Iceland is only five (5) hours from the U. S., But most of us have never been there. I have never seen the magical Northern Lights, so join me to see this amazing sight of nature from the island of Iceland. We will also visit the famous Blue Lagoon to take a dip in the mineral-rich waters of the geothermal pool to see if we can reclaim our youth.

Whatever you choose to do, please call Travel Junction and let us help you plan your "dream" vacation for 2016.
