### **SMITHSONIAN JOURNEYS TRAVEL ADVENTURES with COLLETTE VACATIONS**

I experienced *Splendors of the Nile* in January, and I am eager to return and am planning to escort a group in March 2011 to see this amazing country. I cannot find words to describe the beauty and fascination of Egypt. The view from a balloon ride over the Nile at sunrise was spectacular. My ride on a camel on the Sahara Desert was a "unique" experience, too. We visited the Pyramids of Giza in Cairo and cruised for four nights on the Nile. We learned of the roles of pharaohs, religion, and art and architecture in Egypt. We explored the temples of Abu Simbel, which were built by Ramses II and moved in 1968 to prevent them from being flooded by the Aswan Dam project. Each day brought more beauty and memorable moments. This is a trip that is wonderful from beginning to end!
