Notes of Steel

What surprises will this summer provide?

I am escorting a group to Scotland in August. We still have four seats available. The tour visits the Edinburgh Military Tattoo show, where we will see performances by massed pipes and drums, the bands of Her Majesty's Royal Marines, and cultural troupes against the stunning background of the Edinburgh Castle. We will be visiting the real highlands of Scotland, and we will go as far north as Inverness and the Orkney Islands. Yes, we will stop at Loch Ness, and with a bit of luck, we might see "the monster."

In May 2015, I am planning to visit Israel. Please join me and visit Israel before the temperatures reach 100 degrees. We will travel from Tel Aviv to Jerusalem and spend a night at the Dead Sea.

Now is the time to start planning your 2015 vacation. Several exciting trips are featured in this issue. Join Travel Junction as we travel around the world.

TRIVIA

Please read this issue carefully. Look for the answer to this trivia question: What is the Brannock Device? The first client to call, give the complete answer and where it appears in this newsletter, and book an individual package (minimum of $2500) will receive $100 toward the cost of the trip from TRAVEL JUNCTION. (If you have won in the last two years, please give others a chance to win.) The contest is over July 10, 2014.
